Once you enter the town which is about 3 miles from the A41 keep on the same road, drive all the way through the town until you reach traffic lights with The Majestic Wine Merchants in front of you on the right. Turn Right at these traffic lights into Billet Lane.

Northbridge Road is the first turning on your left. As you drive down Northbridge Road, Audley House is located about halfway down on the right. Just past Audley House is the entrance for the car park.
